All participants with more than minimal TSD rally experience are encouraged to enter this class. The degree of difficulty of this class, on a scale of 1 to 10 (with 1 being extremely easy and 10 being extremely difficult), is estimated to be approximately 4-5.

**2. Novice Class.** Participants in this class receive the novice Route Instructions and compete against each other for trophies. Participants with no or minimal TSD rally experience are encouraged to enter this class. The degree of difficulty of this class is estimated to be approximately 2-3.

**3. Touring Class.** Participants in this class receive the novice Route Instructions and do not compete or receive trophies. This class is designed for people who wish only to drive a Rally Route and not be concerned with timing calculations or course-following challenges. This is a follow-the-leader format with the lead car doing the navigation.

**Registration is \$50 for Columbia Gorge MGA Club members, and \$75 for non-members.**
